1. As part of his “Teach All Nations” campaign, Brother Thomas is scheduling some special private gatherings that are mixed in with his touring of churches and area wide seminars.
2. It is a special private gathering for you and your friends in a small setting with author, teacher Benny Thomas.
3. These gatherings are simple to put together and a blessing to all who attend!
4. These meetings often become a precursor to a later **area wide word conference**.

Here's how it works...

1. Host or hostess to oversee.
2. Find a place with room enough for 12-35 people (you can squeeze 25 to 35 in homes that are not extremely large).
3. Set the date.
4. Make a list of friends to invite. Encourage them to invite others. Try to have a goal of at least 15-20 on your list.
5. Mailed invitations along with phone calls work best, 2-3 weeks prior to meeting. Try for RSVP's.
6. Re-call invites during the week of meeting to remind them.
7. Refreshments may be served after the meeting (optional).

Often the small gathering will result in a few volunteers who will work together to help Benny Thomas Ministries plan a larger gathering.

A free gift will be given to the host/hostess.

All who attend will be ministered unto through an anointed teaching and the operation of the spiritual gifts.

Brother Thomas will receive a low-key free will offering at the end of the meeting.
